Subject	: STEWARDS DECISION No : 1	**Document No:**	2.2
From	*: The Stewards*		
To	*: The Competitor of car No. 21 EUROLAMP WRT Crew VALERIY GORBAN / SERGEI LARENS*		

The Stewards received a report from the Clerk of the Course stating that car No. 21 did not follow the itinerary between SS18 and SS19 as shown in the Road Book. A screenshot of the "history" of car No. 21 from the tracking system was attached.
The screenshot showed that car No. 21 had taken the same itinerary from SS18 back to Mikolajki in the evening as they did from SS14 (same special stage as SS18) at midday, whilst the itinerary shown in the Road Book indicated two different itineraries.

The Stewards then summoned a representative of the competitor and the crew of car No. 21 to be heard the same evening at 21.30 hrs.

Upon their arrival in front of the Stewards, the co-driver and the team manager Mr. Alexandr Ziuzin immediately admitted the crew's error. They stated that this lapse was due to a mistake on behalf of the co-driver. When they had arrived at the Stop control of SS18, the co-driver by mistake opened the Road Book on the page of the Stop control of SS 14 and thus the crew took the same way back to Mikolajki as midday, which was wrong. They realized their mistake only when they had arrived at Mikolajki.
They apologized for their lapse.

The Stewards, after due deliberation, conclude that a breach of Article 14.2 of the 2017 FIA WRC Sporting Regulations has nevertheless been committed and under the above circumstances

DECIDE

To impose a Fine of € 2,000 on Competitor No. 21.

The Competitor is reminded of his right to appeal.
